## DALEKS

(1965) An eccentric inventor and his companions travel in his TARDIS to the Planet Skaro and battle the evil menace of the Daleks. It's based on the second serial of the British science fiction **Doctor Who** television programme, **The Daleks**, produced by the BBC. Filmed in Technicolor, it was the first **Doctor Who** story to be made in colour and in a widescreen format.

9:30pm:

**DALEKS -**

## INVASION EARTH

**2150 A.D.**

(1966) The Doctor is in and he's less canonical than ever! Peter Cushing is back in this follow-up to fan favourite **Dr. Who and The Daleks** as this time the Daleks have a fiendish plot taking place in 2150.
